

ALTAIR® 4X MSHA Multigas Detector Features & Benefits

FEATURES	BENEFITS
<p>The ALTAIR 4X Multigas Detector is powered by MSA XCell Sensors.</p> 	<p>Typical cost savings of over 50% on calibration gas, replacement sensors and maintenance. Typical decrease in downtime of over 50% while bump testing the instrument, waiting for a gas response, and waiting for the instrument to clear. Enhanced safety with industry-leading accuracy, repeatability, and response times.</p>
<p>4-year expected sensor life and standard 3-year instrument warranty</p>	<p>Spend less money on replacement sensors and purchase replacement instruments less frequently. Spend less time maintaining instruments, more time using them.</p>
<p>The ALTAIR 4X Detector provides industry-exclusive end-of-sensor-life warning</p>	<p>Use this early warning feature to save money and aggravation by reducing instrument downtime and sensor inventory.</p>
<p>MotionAlert™ feature - "man-down" alarm InstantAlert™ feature - manual alarm</p>	<p>You and your fellow workers now have additional ways to call for help and send out a warning. Ideal for confined space applications when there is no direct line of sight.</p>
<p>The ALTAIR 4X Detector is durable - providing industry-leading water, dust, and impact resistance</p>	<p>You can rely on the ALTAIR 4X Detector to perform in a tough industrial environment without worrying about breaking a "delicate" instrument.</p>
<p>The ALTAIR 4X Detector runs for over 24 hours on a single charge</p>	<p>Save money; the 30+ hour run time and quick charge times means you can buy fewer instruments to cover longer shifts.</p>

Note: This bulletin contains only a general description of the products shown. While uses and performance capabilities are described, under no circumstances shall the products be used by untrained or unqualified individuals and not until the product instructions including any warnings or cautions provided have been thoroughly read and understood. Only they contain the complete and detailed information concerning proper use and care of these products.
