Product Description

16" Schaefer economy aluminum shutters allow airflow in a single direction and are used as building air inlets to feed Schaefer exhaust fans, or on exhaust fans to prevent air entry when the fan is not operating.

Aluminum shutters are built tough for long life in the most demanding environments, all at an affordable price.

Features

Constructed of heavy-duty brushed aluminum for corrosion resistance and greater durability

Interlocking louvers for maximum weather protection and lightweight for high efficiency and easy installation

Tie bar to eliminate shutter flapping

Shutter motor kits available for automated opening/closing
