# Wohler Brush Kits

Better cleaning with high quality tools

The Wohler Brushes are designed in various sizes and materials to meet your cleaning needs. We develop and manufacture our cleaning systems and brushes for chimney stacks, boilers and ventilation systems to meet the needs of professionals.

No matter how large or small the pipe, no matter how dirty it is there is a professional Wohler brush for every application. For over 85 years, craftsmen, plumbers and chimney sweeps have relied on the quality of Wohler cleaning tools and have never been

disappointed. From the largest Wohler Viper XXL to the handy Wohler Viper S, we place high importance on excellent cleaning performance, easy handling and consistent quality.

	<p><b>Stainless steel flat wire</b> Premium Flat wire for harder deposits in masonry / tile chimneys.</p>
	<p><b>PEK</b> High tech synthetic fiber for light condition sweeping in stainless steel chimneys, ducts or pellet stoves. Heat resistant up to 300 °F.</p>
	<p><b>Perlon</b> Black plastic fiber for light condition sweeping in stainless steel chimneys. Heat resistant up to 122 °F.</p>
