

Drench Shower Tester

Model S19-330ST

- Watertight, Chemical-Resistant Funnel
- Easy-to-Reach, 6-Foot Aluminum Handle
- Full, One-Year Warranty

Specifications

Heavy-duty tester provides a convenient way to comply with ANSI specifications for weekly testing on all drench showers without getting wet. A funnel directs water to a drain or bucket (not included) and prevents splashing the surrounding area. The provided aluminum handle makes it easy to position the funnel under the shower head.

Construction

Watertight funnel is 84" long with a weighted bottom, constructed of chemical-resistant Tyvek®. Telescoping aluminum handle extends to 6'. Shipping weight is approximately 5 lbs.

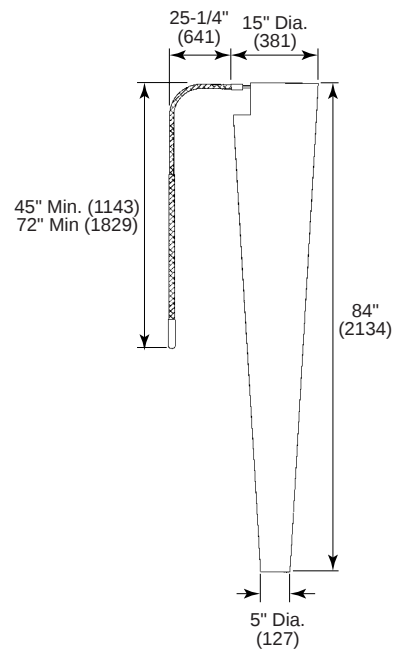

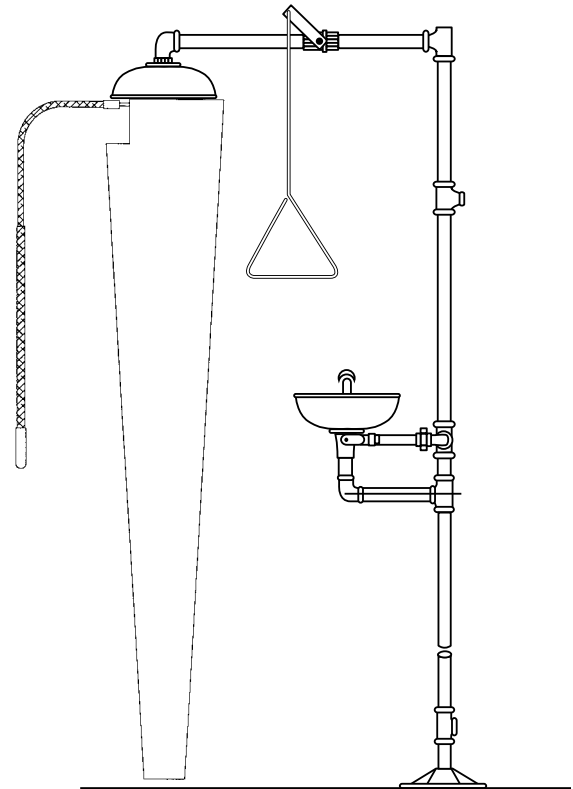

Standard Equipment

Funnel

The 84" long watertight funnel with weighted bottom is constructed of chemical-resistant Tyvek®.

Handle

Telescoping aluminum handle extends to 6' for easier reaching.
